OUR LAND RIGHTS POLICY

The land is vital to our lives, whether we use it for shelter, food, or business operations. It supplies livelihoods, supports communities, and generates vital natural resources on which we depend.

“LAND IS NOT A MERE COMMODITY BUT AN ESSENTIAL ELEMENT FOR THE REALIZATION OF MANY HUMAN RIGHTS.”

The United Nations Office of the High Commissioner on Human Rights

By endorsing the Ten Principles of the United Nations Global Compact (UNGC), respecting human rights, labor, the environment, and anti-corruption principles, Logoplaste is committed to supporting them, as well as respecting the protection of internationally proclaimed human rights. Logoplaste has adopted policies to protect against human rights abuses, including the rights to land and the natural resources of local communities and Indigenous people.

Logoplaste is always committed to conducting its business in compliance with national laws and internationally accepted best practices and in assessing, as well as minimizing, the social, economic, and environmental impacts, or potential impacts, of its business activities on local communities, including land rights, such as the right of Indigenous peoples to their ancestral lands.

All negotiations on land transactions, or land use, follow national laws with transparency. No action is taken, over the land and of communities with Indigenous people without their free, prior, and informed consent.

PROTECTING LAND RIGHTS AND ALL THAT IT ENTAILS ENSURES A SUSTAINABLE FUTURE FOR GENERATIONS TO COME.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, LOGOPLASTE - CONSULTORES TÉCNICOS, S.A. (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
